DOUBLE ENGINE: SUN AND FUN SUMMER CAMP OVERVIEW

"Twice the thrill, double the fun – Join us for Double Engine: Sun and Fun!"

THEME: Double Engine: Sun and Fun
"Twice the thrill, double the fun - Join us
for Double Engine: Sun and Fun!"

The title "Double Engine: Sun and Fun" represents using the energy of the sun and fun activities to enhance children's learning. The Summer Camp aims to engage children's energy and enthusiasm by incorporating fun into educational experiences.

We create an environment where children are naturally motivated to explore, discover and grow. The combination of "sun" and "fun" sparks curiosity, creativity, and overall development in children, making learning enjoyable and effective.

WEEKLY PLAN

Week – 1 (Takeshi Tots)

The first week of our Summer Camp kicks off with exciting activities inspired by the iconic TV show Takeshi's Castle! Imagine a lively preschool transformed into a dynamic course full of exciting obstacles, challenges and competitions designed to ignite children's motor skills and promote their physical development.

With these activities inspired by Takeshi's Castle, children can not only have fun, but also develop important motor skills such as balance, coordination, flexibility and strength. A week full of laughter, friendship and unforgettable adventures sets the stage for a summer of growth and discovery at our camp!

2 years - 6 years

- Ice Breaking Activity
- Paint like Michelangelo
- Wall Art on Wheels
- Obstacle Races
- Fun Games
- Dance Challenges:
 - Freeze Dance
 - Tissue Paper Dance
- DIY Maze
- Art Sculpture

6 years - 12 years

- Ice Breaking Activity
- Paint like Michelangelo
- Swap Painting
- Obstacle Race
- Fun Games
- Dance Challenges:
 - Ice Cube
 - Freeze Dance
- DIY Maze
- Art Sculpture
- Scavenger Hunt

La Tomatina

Week – 2 (Tinkering Labs)

"Tinkering" involves hands-on exploration and experimentation to create, innovate, and problem-solve. In Week 2 of the Summer Camp, children focus on cognitive development through brain gym exercises, science experiments, mindfulness practices, and artistic endeavors. The carefully crafted activities aim to engage their curious minds, fostering critical thinking, creativity, and problem-solving skills for a lifetime of learning and innovation.

2 years - 6 years

- Brain Gym
- Tinker Tray
- Handshake Print on Paper
- Play with Magnets
- Elephant Toothpaste
- Balloon Inflation

- Oobleck Play
- Water Experiment
- Self Promises

6 years - 12 years

- Brain Gym
- DIY Kaleidoscope
- Magnetic Car Race
- Fluid Art
- Air Pressure Experiments
- Sensory Slime
- Water Experiment
- Oil Marbling
- Clay Dough Circuit
- Dance

Illusion Play (Magic Show)

Week – 3 (Indian Folk Art)

In Week 3, we celebrate the vibrant tapestry of Indian culture by immersing children in activities that not only develop their fine motor skills but also instill a deep appreciation for their roots. From crafting intricate designs with marigold flowers to practicing Suryanamaskar for physical and spiritual well-being, children are guided through a journey of connection to their heritage. By practicing yoga poses for digestive health and exploring famous Indian folk arts, they discover the richness of their cultural heritage and lay the foundation for a future where they proudly preserve and share Indian traditions around the world.

2 years - 6 years

- Animal Yoga
- Sound of OM
- Jal Tarang
- DIY Musical Toy
